Dear Friends,

The Veterans' Memorial Project Committee (VMPC) cordially invites you: We are recruiting for a project entitled ***Friends of the Veterans' Memorial***. This unique "Friends Club" is not a commitment for a full time volunteer job, nor is it a committee appointment, but rather an offer from you to assist on specific short-term projects.

For example: On November 11th, Veterans Day and for Memorial Day in May, we have a short program. Early that morning, volunteers will beautify the border of the Memorial with small American Flags. Chairs need to be placed for our guests and sometimes the senior Veterans need some gentle assistance getting to their seat. Fellowship is key. After the ceremony, the Flags need to be collected and placed in their box until next time. Furthermore, there is work to be done from time to time on site—installing pavers, policing the area, even pulling a weed or two in the cracks. Just tender love and care. We also have a booth at Jackson Street Market Days. Come see us.

You are cordially always invited to attend our meetings. We convene almost every month most often on the 3rd Thursday at 5pm and you will be on the Notice List for 3-mail reminder of meetings and events at the Memorial.

Respectfully,

Lenore J. Combs, Secretary
